## **Use of Court Reporters in Civil Law Matters**

Due to inadequate funding caused by budget cutbacks, the Court regrets that it will no longer be able to provide court reporters in civil law matters.

If you wish to have a matter reported, please make advance arrangements with any licensed reporter or reporting firm. The Court maintains a list of local reporters with court experience that is available upon request.

This new policy will go into effect on Monday, November 14, 2011.

If you have any questions about the changes in the reporter procedures, please contact Tammy Denchfield, Courtroom Operations Manager, 1035 Palm Street, Room 355, San Luis Obispo, CA 93408.
