Re: Petition and Motion to Confirm Arbitration Award.

Date: July 11, 2017

Petitioner has filed a petition to confirm an arbitration award. A Notice of Hearing on the petition with a hearing date of July 11, 2017.

If a petition or response under this chapter is duly served and filed, the court shall confirm the award as made, whether rendered in this state or another state, unless in accordance with this chapter it corrects the award and confirms it as corrected, vacates the award or dismisses the proceeding. Code Civ. Proc., § 1286

The court is unable to locate a provision in the arbitration agreement that provides for a specific manner of service of a petition and notice. Therefore, service of the petition within this state must be made in the manner provided by law for the service of summons in an action. CCP §1290.4(b)(1)

The file does not reflect that the petition, the motion or the supporting documents have been served on the Respondent and no opposition has been filed.

Accordingly the matter is ordered off calendar.
