

***Mikayla Hoffman v. Christina Young, et al 16CVP0060 (consolidated with Gunner Young, et al. v. Amy Jacobson, et al. 16CVP0230)***

**Re: Motion to Correct Summary Judgment Order**

**Date: October 3, 2017**

Mikayla Hoffman, through her guardian ad litem Amy Jacobsen (Plaintiff) brings this action against Christina Young, Donald Young, Jr., Gunner Young and Dillon Young (collectively Young Defendants). Plaintiff also names Donald G. Young, Jr. Concrete & Masonry, Inc. (DYCM) as a defendant.

On June 13, 2017, the Court granted the Young Defendants' motion for summary adjudication as to certain causes of action. The notice of motion and the amended order, as prepared by the Young Defendants and entered on July 13, 2017, mistakenly included DYCM as a prevailing defendant on the motion.

DYCM asks the Court to use its inherent powers to correct the amended order to delete DYCM from the order. The unopposed motion is granted. Donald G. Young, Jr. Concrete & Masonry, Inc. is hereby stricken from the July 13, 2017, amended order granting the motion for summary adjudication.
